

WORLD DOMINION

The World Dominion Movement advocates informed continuous co-ordinated evangelism to reach everyone at home and abroad. Its basis is belief in the Deity and Atoning Death of the Lord Jesus Christ, the World's Only Saviour, and in the Final Authority of Holy Scripture.

WORLD DOMINION

those who are obsessed with the thought of material advantage and prosperity.'

The closing paragraph of the above summary from this important Chinese paper, is a remarkable tribute to the essential Christian spirit of its editor. It recalls Mr. Lansbury's appeal in *The Times* for a Truce of God. But that this spirit has not prevailed in these terrible and troubled times measures the task of the Christian Church.

Cheerful News

The following extracts from a letter from Shantung makes cheering reading. Among many changes and conflicting opinions Christian missionaries work quietly on at their great task:

'One of the women evangelists who had been out doing a little follow-up work told me a remarkable story some little time ago. A few years ago, a young lad was brought into hospital with a gunshot wound of the thigh and a fractured femur. He was in hospital for about three months and went out very fit. We had lost sight of him since then. This evangelist was invited to his home and heard his story. He had a pretty rough time of it when he returned home with the unforgettable story of Jesus on his lips, but he persisted in talking about Him, no matter what ill treatment was meted out to him. He was publicly baptized into the Church when he reached, I think, his thirteenth birthday, and that was but the beginning of an authentic and aggressive witness to an experience that he had had in hospital. The end of the story is this, his father and mother and seven other members of his family are now members of the Church and active Christians. You can't say what the ultimate outcome of an active faith like that will be!'

Another missionary writes: 'A few days ago a letter came from a former postmaster who left C—— about a year ago for C—— on the north-east coast of Shantung. Here is an extract: ". . . Praise God for His grace and mercy. In His light I can see light, and walk in the light. To glorify Him, my wife and I arranged a Christmas party last Christmas Day, when some thirty members of postal staff were invited to hear the Rev. Liu's powerful speech. Since then I have opened a Bible Class at our house every Saturday evening, and the number of attendants on each occasion was between fifteen and twenty. Thank the God of Glory for His mighty power, as two of our men have recently been baptized.'"
