

WORLD DOMINION

The World Dominion Movement advocates Informed Continuous Co-ordinated Evangelism to reach everyone at home and abroad. Its basis is belief in the Deity and Atoning Death of the Lord Jesus Christ, the World's Only Saviour, and in the Final Authority of Holy Scripture.

NOMADS OF FRENCH EQUATORIAL AFRICA

to our homes and offices to be taught. So far we have only one convert from among these people over whom our hearts yearn so intensely. That one, though not yet baptized, is a very earnest personal worker, and never misses an opportunity to bring other members of his own tribe under the sound of the Gospel. He accompanies us willingly and freely on our trips of evangelization, and loves to pray, or, as he puts it, to 'talk to *Isa.*'

Readers of WORLD DOMINION will, I know, pray earnestly for these people who have come from afar to our very doors, that in the indigenous Church which is being so rapidly built up among the former pagan tribes of Oubangui-Chari, there may be many, hitherto followers of Islam, who shall bow the knee to our Lord Jesus.

Since 'prayer, not circumstances, mould the life' may we not intercede fervently and effectually for those who have been born under the bondage of Islam? Let the reader who has a desire for widespread usefulness intercede with world-wide vision, remembering the promises of God who said 'I will make the dry land springs,' and 'Who, passing through the Valley of Bacca, maketh it a well, the rain also filleth the pools.'

A Medical Muddle

Miss Emily Godfrey of Umuhia Hospital, writing in *The Kingdom Overseas*, says that the medical worker is concerned at the ease with which certain drugs, some of them poisons, can be procured in the open markets of Nigeria, for instance croton oil. The people buying these drugs have no idea of dosage or whether the medicines are for inward or outward application. The following letter is a case in point :—

'Because I have drunk plentiful different medicines, it cannot quench them all. Their names is Sulphur Bitter, Potash, B.T.S., Alkool (alcohol), Izal, Urodonal, Epsom-salt, Blood Mixture, India Root Pills, and Pain Killer. But all this medicine have no power to stop my tribulation.'
