

WORLD DOMINION

The World Dominion Movement advocates Informed Continuous Co-ordinated Evangelism to reach everyone at home and abroad. Its basis is belief in the Deity and Atoning Death of the Lord Jesus Christ, the World's Only Saviour, and in the Final Authority of Holy Scripture.

A RELIGIOUS SCOURGE IN JAMAICA

And yet, there is so much left to be done that the newcomer often wonders, 'What has been done at all?' To this the old veteran often replies, 'Much in every way.'

Prayer Power Points

REV. HUGH C. C. McCULLOUGH.

NEW YEAR'S morning, 1939, will live in the memory of many.

It was Sunday morning. We had been standing at our Watch and Pray posts at Mildmay throughout the whole night. From this Centre has come a new challenge to the world. This is that the greatest known force in this wonderful world of ours is the Power of Prayer. This force or power God has given to His Church, and we must learn how to use it more effectively for the extension of His kingdom. The personnel of this particular meeting was representative of several countries and of several missionary Societies. But I think the greatest thrill of the Meeting to me was the consciousness that we were joined that night with no less than 150 prayer groups throughout England, 50 groups on the Continent, and many more throughout the world. It is this sense of prayer fellowship that we must regain if we are to go forward with our evangelistic and missionary enterprise.

A letter on my desk is from Mecktila, Burmah, and describes what took place in their own prayer Circle during those hours. They even sent us an outline of the meeting revealing the wideness of their vision and the desire of their hearts in harmony with ours for world-wide revival.

Some may ask, why all-night prayer? My answer is, because the time factor does count in persevering and prevailing prayer. For consecration and concentration we must take time. There has been far too much haphazard praying in the Christian Church; and part of the cause of the darkness of the hour must be laid at the door of the Church because of her prayer powerlessness.

The world need is so great that nothing but persevering

prayer can prevail over the growing forces of aggressive evil and atheism.

Some two years ago, in a visit throughout the Continent, I was able to awaken interest in these all-nights of prayer. Groups were established in Cologne, Berlin, Nuremberg, Posen, Warsaw, Zaconane. In spite of the fighting going on between Germany and Poland I am convinced that prayer is still being offered on both sides of the Front in connection with our Fellowship.

In this dark hour we must increase the Prayer Chain, and concentrate our prayer-power upon the Powers of Darkness. We must man our Observation Posts against the attacks of the Prince of the Power of the Air. In such an hour, when men's hearts fail them because of fear, when human fellowships are falling to pieces, it is good to remember that "they that wait upon the LORD shall renew their strength." We need a bond of prayer fellowship for the world, for we have Christian brothers and sisters in Germany as well as among our Allies and Neutrals. Let us pray that while we resist the evil of others we may not forget to measure our own guilt. Pray, too, that we may be saved from bitterness and hatred, and that soon peace may come to us again.

The Bible is full of glorious achievements of prayer warriors who were prepared to call upon God throughout the night. To Daniel are revealed great secrets; while to the Early Church is granted the release of Peter. What great gift has God for His Church and this generation if we will wait upon Him to receive it? This darkness may be the hour before the Dawn of Revival. God will work out His will, and cause the wrath of men to praise Him.

I firmly believe that Nazism with its Godless aggressiveness will be dethroned. I can see the possibility of the release of Niemüller, and the return to Germany of that great theologian, Brunner. The Dawn will break with Revival.

Are we ready to go in and possess the land? We must harness the Prayer-power of the world now for God and His Kingdom, that His Will may be done.
