NOTICE TO TREASURERS AND SECRETARIES OF ASSOCIATIONS

End of Financial Year. Final Remittance.

THE COMMITTEE OF THE CHURCH MISSIONARY SOCIETY beg to remind the Treasurers and Secretaries of Associations that the **Society's Financial Year ends on the 31st of March**, and that they should make their **final remittance** and forward their Contribution Lists **immediately** after closing their Accounts.

No Balances shown.

Sums remaining unpaid on the 31st of March are not shown in the Accounts as Balances. The Contribution Lists should therefore agree in total with the amounts actually paid to the Parent Society to that date.

Branches.

Where an Association has Branches connected with it, the Money and Accounts of the Branches must be forwarded to the Treasurer or Secretary of the Association some time before the date for forwarding to London. **Branches not doing so in good time shall be considered as self-excluded.**

Branch Associations should, in every case where practicable, forward their Money and Lists through the Association with which they are connected, **and not direct to the Parent Society.**

Contribution Lists and Accounts.

Lists and Accounts (If not sent with the money) must be forwarded not later than April 10th. At the head of the List should be furnished the name of the Diocese, Archdeaconry, Deanery, and County in which each parish is situate. **It is very essential that this information should be given accurately to ensure correct entry in Annual Report.** The date at which the Accounts of the Association are closed, and the names of the Local Officers, should be specified. **Should no Officers be named it will be assumed that they remain the same as in the previous Report, and the List will be so printed.**

Accurate information essential.

Local Officers.

The Contribution Lists should be written legibly to avoid mistakes in printing, and made up in the manner in which the same are printed in the Parent Society's Report. Forms of Account and ruled paper with directions for filling up the form may be had on application to the Lay Secretary at the Society's House. Where the Account or the List is a printed one, *two* copies should be forwarded. It would greatly facilitate the work of adapting the Local Report for the Society's Report if the following arrangements were adopted:—

Forms of Account.

Printed Lists.

(1) Items of 10*s.* and over (in alphabetical order.)
(2) Items of *under* 10*s.* ... ... } With separate totals for each.

Appropriate Contributions. Special Funds and General Fund.

Particulars of Appropriated Contributions and Contributions to Special Funds paid through Associations are printed with the Lists to which they respectively belong.

In order that a correct analysis of the Society's Income may be made, it is essential that the composition of each amount at the time of remittance should be given under the divisions of General, Appropriated and Special Funds. Under the divisions of Appropriated and Special Funds the several precise objects and amounts for each should be named.

Remittances should be made early in Financial Year.

The Committee take this opportunity of requesting that Local Treasurers will **remit to the Parent Committee at the end of every quarter (or oftener in cases of large sums being received) any sum in their hands, over and above the amount required to meet disbursements, &c.,** the balance being remitted when the Local Accounts are closed for the year. This course would tend to equalise in a greater degree the Income and Expenditure in the earlier months of the Society's Financial Year, and **save the Society a considerable yearly sum.**

RESPECTING REMITTANCES.

(*See last paragraph but one.*)

Remittances.

Remittances may be made through Local Bankers, and their correspondents in London, to the account of the Society at WILLIAMS DEACON AND MANCHESTER AND SALFORD BANK, Limited, 20 Birchin Lane, London, in which case it is requested that *advice of the same be sent by post addressed to the Lay Secretary.*

Or Drafts may be forwarded direct to the C.M. House, payable to D. MARSHALL LANG, *Lay Secretary of the Church Missionary Society*, and crossed WILLIAMS DEACON AND MANCHESTER AND SALFORD BANK, Limited, *acct. C.M.S.*

Post Office and Postal Orders should be drawn on the General Post Office, and be made payable to D. MARSHALL LANG.
